

President's Message

Greg Opseth, MHA, BSN, RN
President
Iowa Nurses Association

“Leading the Iowa Nurses Association is a responsibility I am honored to hold, and I am so grateful for your ongoing support and commitment to our shared mission.”

Iowa Representation at Membership Assembly

In June 2024, INA was proudly represented at the Membership Assembly in Washington, D.C., by Dawn Bowker, President Elect; Lisa Caffrey, Membership Assembly Representative; and me. We joined forces with leaders from across the country to advocate for nursing priorities on Capitol Hill, making sure Iowa's voice was heard.

Continued Collaboration

As always, we are committed to building partnerships and expanding our impact. Dawn Bowker and Kate Pace did a fantastic job representing INA as a booth vendor at the Iowa Healthcare Collaborative conference on June 19, 2024. It was a great opportunity to connect with healthcare leaders, share ideas, and explore new avenues for collaboration.

Leading the Iowa Nurses Association is a responsibility I am honored to hold, and I am so grateful for your ongoing support and com-

mitment to our shared mission. Together, we will keep pushing the nursing profession forward and improving healthcare outcomes across Iowa.

Thank you for everything you do, and I am looking forward to continuing this journey together! I hope to see you in Ames in October at our 2024 [Annual Conference!](#) ■

With warm regards,
Greg Opseth, MHA, BSN, RN
