The 3 Bylaw Amendments all received voters' approval. Below are the changes approved that will be replaced in the NNA Bylaws for 2025:

ARTICLE VI-BOARD OF DIRECTORS:

Section 2. Composition

The Board of Directors shall consist of the NNA president, president-elect, vice president, secretary, treasurer, and four committee chairs representing the four standing committees.

The immediate past-president serves as ex-officio, non-voting member of the board of directors.

Section 6. Term of Office

- a. The president-elect and treasurer shall be elected in even-numbered years. The vice-president and secretary shall be elected in odd years. The offices of vice-president, treasurer, and secretary require a two-year term. The office of president-elect is a one-year term, followed immediately by a two-year term as president, followed by a one-year term as past president.
- b. No officer shall serve more than two (2) consecutive terms in the same office nor more than eight consecutive years on the Board of Directors. An officer who has served one half a term or more shall be considered to have served a term.

- c. No person shall be elected to serve as an officer of the NNA who at the same time would be serving on the Board of Directors by virtue of holding office as a Chair of a Committee.

Section 14. Past President

Immediately following the two-year term as NNA President, the current president shall serve in an advisory capacity as Past President and serve as a mentor to the current NNA President. This is an ex-officio role on the Board of Directors without voting rights. If the immediate Past president is not available, then the position will remain vacant.

PREMIER JOINT MEMBERSHIP

Membership voted to approve the NNA portion of annual dues increase to \$140 in 2025. This will occur the month of your renewal. ANA portion of dues will be \$153 annually. Total Premier membership cost will be \$293 annually.
