colleagues with an invaluable opportunity to engage with the legislative process, connect with policymakers, and gain a deeper understanding of the role advocacy plays in shaping healthcare policy.

## WHERE DO I FIND THE NNA BILL TRACKER AND WRITTEN TESTIMONY?

These are available to every NNA member on the NNA website. Log into the Info Hub portal (directions below) go to resources/advocacy/bill tracker. This is a real time site updating directly from the Unicameral website as a bill we are watching moves through the legislative process.

## HOUSEKEEPING ITEMS:

**Need to update your contact information?** This is a great time to keep your ANA-NNA account information up to date, so you don't miss our information getting to you. Here are a couple of ways to check your account:

- [ANA.org](http://ANA.org) (formerly nursing world)
- ANA Membership Department at 800-923-7709

We highly recommend using a personal email address as many organizations have significant firewalls that may put our communication in your spam folder. If you do use a work email please add us to your list of Safe Senders.

Membership Auto Renewal is super easy. It can be set up as a monthly or annual withdrawal. This can be by checking account or a credit card. We are recommending using a checking account because this has no expiration date like a credit card does, unless you are better at remembering than I am to update every auto payment I have when my credit card expiration date changes.

**Have You set up your NNA Info Hub Account?** This is the MEMBERS ONLY section of the NNA website ([www.nebraskanurse.org](http://www.nebraskanurse.org)) where you will find member resources such as past Nebraska Nurse issues, Bylaws, Legislative testimony & letters Plus forums to connect with other members and more!! It's easy: Go to the NNA website and look for the member login on the upper right side, it will walk you through the set up. 🔥
