

# Innovate, Inspire, Impact: Join Us for the 2025 SCNA Annual Convention!

**Contributing Author: Nakita Barnes, DNP, ACNP-BC, PPNC-BC, SCNA President-Elect**

The South Carolina Nurses Association (SCNA) is thrilled to invite you to our 2025 Annual Convention, taking place October 23-25, 2025, at the Sonesta Resort in Hilton Head. This year's theme, "Innovate, Inspire, Impact: Shaping the Future of Nursing," celebrates nurses' vital role in driving healthcare innovation and advancing patient care. Attendees will be able to engage with dynamic presentations from the Acute Care Nursing, Advanced Practice Registered Nurses, Women's and Children's, and Psych-Mental Health chapters/ We will also have compelling sessions on legislation and the evolving role of artificial intelligence in nursing. Additionally, attendees can earn pharmacology hours through specialized sessions to enhance clinical practice.

This event promises to be more than just a conference; the convention is for passionate nursing professionals, educators, and healthcare leaders in a safe space to connect, collaborate, and elevate the profession. Whether you want to expand your knowledge, exchange ideas, or be inspired by groundbreaking work in nursing, this convention promises to be an unforgettable experience.

Adding to this year's convention, we will host our Second Annual Gala, "Innovation Station: A Night of Discovery," where we recognize outstanding nurses and present our Daisy Award winners. If you know a nurse who exemplifies excellence in clinical practice and compassionate care, we encourage you to submit a nomination online at <https://www.scnurses.org/page/SCNASHiningALight>.

Additionally, we solicited poster submissions from nurses eager to share their research, innovations, and best practices.

This is a fantastic opportunity to showcase nurses' expertise and contribution to the future of nursing. Additional details can be found online via the SCNA website at <https://www.scnurses.org/page/2025PosterSubmission>.

Don't miss out on this extraordinary event! Register today and bring your colleagues along for a weekend of inspiration, professional growth, and celebration. Early bird pricing is available now. Together, we will shape the future of nursing and create a lasting impact on healthcare.
