

## FROM THE MONA EXECUTIVE DIRECTOR

Jill Kliethermes, MSN, RN, FNP-BC

THE 2026 LEGISLATIVE SESSION is underway, and the Missouri Nurses Association is fully engaged at the Capitol advocating for you in our state. From workplace safety and nursing workforce initiatives to protecting your professional practice, MONA is your voice in conversations that directly shape the future of nursing and health care.

Your membership makes this work possible. Thank you for standing with us, for believing in the power of a unified nursing voice, and for supporting the mission to strengthen our profession.

Your expertise and your stories matter. When nurses engage, lawmakers listen. Whether you respond to an action alert, join us for a Capitol visit, serve on a committee, or share your experiences with our advocacy team, your involvement strengthens our impact.

This year, I encourage you to stay informed, stay connected, and stay engaged. Together, we can advance policies that support our profession, elevate our practice, and improve the health of Missourians. Your voice truly makes a difference—MONA is here to amplify it. 🦋
