

News from NNA Panhandle MIG

Ben Garcia, Connie Morrill, Kim Perkins, and Wendy Wells attended the NNA Convention in Kearney.

NNA members: Wendy Wells, Heidi Gubanyi, and Dr. Lisa Walters presented a poster on their \$1M plus "School Nurse Scholars Program" grant at NNA. Dr. Walters and Wendy also presented a poster on this grant at the American Public Health Association meeting in Washington, DC, in November with their team from the UNMC College of Public Health, Methodist College, and Northeast Community College.

UNMC CON West Nebraska Division/Scottsbluff will be renewing its National Student Nurses Association "Stellar School" recognition for the third consecutive 5-year period in February. 🌟

WHERE MATTERS.

Advance your career with **online** Master's and Doctoral programs from NMC because *where matters*.

- Doctorate in two years with no dissertation.
- Nationally recognized faculty. Local, regional and national-cohort classmates.
