

ANA-Michigan Annual Virtual Membership Assembly Highlights

The American Nurses Association–Michigan (ANA-MI) held its Annual Virtual Membership Assembly on Monday, April 27, bringing members together from across the state to reflect on the association’s progress, hear leadership updates, and mark important leadership transitions.

The Assembly featured reports from association leadership and the announcement of the 2026 Leadership Election results. Members also celebrated the welcoming of new board members and the formal passing of the gavel to **Bethany S. Campbell, MPA, BSN, RN**, who was installed as the incoming President of ANA-Michigan.
