

FROM THE MONA EXECUTIVE DIRECTOR

YOUR VOTE MATTERS: HELP SHAPE THE FUTURE OF OUR ASSOCIATION

Jill Kliethermes, MSN, RN, FNP-BC

OUR ASSOCIATION ELECTION is just around the corner, and we encourage every member to participate in this important process.

One of the most important benefits of membership is having a voice in the future of our association. Each year, members are given the opportunity to elect leaders who will help guide our mission, set priorities, and represent the interests of our profession.

Voting is more than a membership privilege—it's a responsibility. The decisions made by our elected leaders influence the programs, services, advocacy efforts, and strategic direction of the association. By participating in the election process, members ensure that diverse perspectives are represented and that the organization's leadership reflects the priorities of those it serves.

Every vote counts. Whether you have been a member for many years or recently joined, your perspective is valuable. Before casting your ballot, take time to review the candidate profiles and learn about the individuals who are willing to serve and lead. Understanding each candidate's experience, vision, and goals will help you make an informed decision.

We encourage all eligible members to participate in this year's election. Together, we can strengthen our association and ensure it continues to serve the needs of our members and profession. Your engagement today helps build a stronger association for tomorrow.

Thank you for being an active and valued member. 🦊
