

ANA-MI's 2026 Virtual Town Hall Series Showcases Magnet® Excellence

Nurses across Michigan and beyond are invited to participate in ANA-MI's 2026 Virtual Town Hall on September 15, a free educational event designed to spotlight innovative practices and outcomes from Magnet®-recognized hospitals.

This dynamic virtual forum will feature brief, high-impact presentations highlighting current research initiatives, evidence-based practice (EBP) innovations, and quality improvement (QI) projects that are advancing clinical excellence and improving patient outcomes. Presenters will share project goals, methodologies, results, and practical lessons learned, providing attendees with actionable strategies that can be adapted to a variety of healthcare settings.

Featured presentations include:

- **Bridging the Gap: Advancing Equity, Support, and Professional Growth After Hours**, Julia Treme, DNP, RN, CHFP, CNL
- **Building Community Outreach Through Shared Governance**, Madelyn Torakis, MSN, BA, RN, NE-BC
- **Safe Maternal Care Anywhere: Improving Emergency Nurse Preparedness for Obstetrical Emergencies Through Ma-**

ternal Early Warning Signs Education, Patricia Klassa, MSN, APRN, CNS-C, C-EFM

- **Solving the Mentor Shortage with Group Mentoring**, Shelly Mouw, MSN, APRN, AGCNS-BC, NPD-BC, PCCN

Whether you are leading change initiatives, implementing evidence-based practice, or seeking fresh ideas to improve care delivery, this Town Hall offers an opportunity to learn from peers, exchange best practices, and celebrate the work driving Magnet excellence.
